Kieran Clarke is a Senior Manager with extensive experience in forensic accounting, insolvency, fund accounting and assurance with a history of working with funds, insurance companies, trusts, public and private companies.

Kieran provides clients with a wide range of services including cash and asset tracing, the valuation of distressed assets, dispute resolution, accounting, and other corporate services. His portfolio includes several well-known official and voluntary liquidations. Recently, he has worked extensively on the replacement of several general partners of Cayman exempted limited partnerships including complex multi-billion dollar restructurings and has managed inbound and outbound litigation across numerous jurisdictions. Kieran is experienced in working with various service providers and legal counsel to maximize stakeholders returns.

Before moving to the Cayman Islands in 2017, Kieran began his career in a Big Four firm in Dublin and engaged in the audit of large investment fund structures including mutual, hedge, venture capital, private equity and fund of funds executing a variety of strategies. He developed significant valuation experience of a wide variety of financial assets whilst dealing with multiple price vendors and both in-house and international valuation specialists.

Kieran holds a BA Hons degree in International Business and Chinese and a post graduate degree in Accountancy and Finance. He is an Associate member of the Institute of Chartered Accountants in Ireland, the Restructuring and Insolvency Specialists Association in the Cayman Islands, INSOL International and the Cayman Islands Society of Professional Accountants. He is also a holder of the Insol Foundation Certificate in International Insolvency Law and a Certified Fraud Examiner.
