Jack Harwood-Scott is a Senior with over six years of experience in the restructuring and insolvency industry.

Prior to joining FFP Cayman, Jack was an Insolvency administrator at one of the UK's largest insolvency firms where he worked on solvent/insolvent liquidations and administrations. During this time, he was regularly involved in investigations and assisting with trading administrations on cases in a variety of different sectors. This included manufacturing, hotel, and international media sectors.

Jack is a member of the Association of Accounting Technicians and holds a Certificate of Proficiency in Insolvency.
