Sam Stainrod provides a key role within the advisory side of the business through the help of admin related tasks, assisting in board meetings and compliance functions within the business. Sam helps to manage Asset Resolution Company which is an asset holding vehicle for illiquid or nil-valued assets. Sam is also a key member of the marketing team, promoting the firm and assisting with events and sponsorships.

Sam previously worked for Fidelity Bank (now Proven Bank) in the Cayman Islands whilst he was finishing his university degree. In September 2021 Sam joined FFP through FFP's graduate trainee program and has since been promoted to an analyst position within the advisory team.

Sam Stainrod graduated from Dalhousie University in 2021 with a bachelor's in business management and a minor in economics.
