Fadi Kikano manages our office in Dubai. He has extensive experience and diverse capabilities in guiding clients in the planning, implementation and governance of asset holding and succession structures, as well as in banking and investment advisory. Fadi has over 20 years of experience managing client engagements and leading multi-disciplinary teams, across the UK, Switzerland, and in the UAE for 16 years. Before joining FFP in July 2023, in his previous role Fadi established and led the Dubai office of a large Swiss fiduciary firm. Prior to this, he worked in client relationship management roles in wealth and asset management, most of which at Credit Suisse in Switzerland and in the DIFC.

Fadi holds a Masters in Civil Engineering from Cardiff University in the UK, and an MBA from INSEAD Business School in France.
