Zoyia Etienne joined the BVI office of FFP as a junior corporate administrator in January of 2023.

Prior to joining FFP, Zoyia worked in the United States where she was involved in retail management and communications.

Her current role as corporate administrator includes the attending to the incorporation of entities, onboarding of companies and new clients, performing client screening and compliance reviews. Working within the corporate team, Zoyia is involved with implementing structural changes for BVI registered entities, producing registered agent certificates and all other manner of corporate requests that are received from clients.

Zoyia has an AA in General Science and a BA in Biology from Missouri Southern State University.

Zoyia she is currently pursuing her ACCA certification and has an interest in compliance and insolvency.
